

HIS PV AS HE OUTLINES MORALITY, AESTHETIC  
not just moral code for place but it carried over etc  
poss at end of s murderer doing his own Cole  
Bar woods--nothing plastic!

Gay pair recite Cole Porter lines— builds to frenzy

Is it Granada I feel or only Asbury Park?

Neither one, fars I know. --shrugs at Linwood

The world has gone mad today and good's bad today.  
Linwood: not news

Earrings exceed size limit  
No a real romancer etc  
Linwood the owner-bartender--nicknames discouraged  
"If they say Lin, they're out!"  
They violate lang code of place where brevity rules, although  
not to exclusion of warmth. You could ask about family,  
express condolences

They crack about gunrack back of his pickup--no resentment  
on his part over this stereotyping--that type of crack  
disregarded...never fights there

fairies are fine if they speak same way etc  
lesbos and phillies and o's game where any buck from stands  
could've pitched etc! I'd yank him out by his lil rocket ship  
--both guff but quietly foulmouthed

they're not being punished for sex prefs

PAIR RUN DOWN BY PICKUP AND DRIVER COMMENTS RE JUST A PERFECT  
BLEND SHIT but admonishes himself severely

mind must be purged for

his aesthetic: image of mouths in frozen horror  
on bkg lovely woods etc--lives for that kind of "suspension"  
How long he can hold it defines discipline  
TO SEE SOME THINGS AS BEAUTIFUL MAKES LIFE BEARABLE.

## Lyrics that Only Cole Could Have Created

"How happy we shall be  
When once a perfect unit.  
Like lovers of the moyen age are we  
Singing silly persiflage are we!"  
-- from Oh, What a Pretty Pair of Lovers

"What a glimpse of paradise,  
Someone who's naughty  
Showed to someone who's nice."  
-- from I'm in Love Again

"Back once more where he started from  
He said, 'I haven't a single qualm,  
'For I've had a taste of the world, you see,  
And a great Princess has had a taste of me.'  
Wise little Scampi."  
-- from The Scampi

"Old sloths who hang down from twigs do it,  
Though the effort is great,  
Sweet guinea-pigs do it,  
Buy a couple and wait."  
--from Let's Do It (Let's Fall In Love)

"Your fetching physique is hardly unique,  
You're mentally not so hot;  
You'll never win laurels because of your morals,  
But I'll tell you what you've got:"  
-- from You've Got that Thing.

"I don't mean the kind that belongs to a club,  
But the kind that has a club that belongs to him."

Tell me where would you get your coat?"  
-- from Where Would You Get Your Coat?

"He said my epidermis was darling,  
And found my blood as blue as could be,  
He went through wild ecstasies,  
When I showed him my lymphatics,  
But he never said he loved me."

"Since only dames with their names on  
their cheques appeal  
To modern men, instead of sex, I now  
have ex-appeal."

"Give up arranging affairs of the state  
And stay in the hay like Kate the Great."

-- Russian history from Kate the Great

"You're a boon,  
You're the dam at Boulder,  
You're the moon...over Mae West's shoulder.  
I'm a nominee of the G.O.P  
or GOP,  
But if, Baby, I'm the bottom,  
You're the top!"

-- a little known verse from the long ditty You're the Top

"By the old sea-side.  
For when once we get the proper settin'  
We begin a-pettin' and go on a-pettin'  
Till we end by gettin' such an awful wettin'  
...from the tide."

-- from Me and Marie

"Time marches on and soon it's plain  
You've won my heart and I've lost my brain,  
It's delightful, it's delicious, it's de-lovely."

-- from It's De-lovely

"I used to fall  
In love with all  
Those boys who maul  
Refined ladies.  
But now I tell  
Each young gazelle  
To go to hell...  
I mean, hades."

-- from My Heart Belongs to Daddy

"As Madam Sappho in some sonnet said  
'A slap and a tickle  
Is all that the fickle

Male  
Ever has in his head."

"It's friendship, friendship,  
Just a perfect blendship,  
When other friendships have ceased to jell  
Ours will still be swell."  
-- from Friendship

"Are you fond of swimming dear?  
Kindly tell me, if so.  
Yes, I'm found of swimming, dear,  
But in the morning, no.  
Can you do the crawl, my dear?  
Kindly tell me, if so.  
I can do the crawl, my dear,  
But in the morning, no.  
When the sun through the blind  
Starts to burn my poor behind  
That's the time when I am in low.  
Do you use the breast stroke, dear?  
Kindly tell me, if so.  
Yes, I use the breast stroke, dear,  
But in the morning, no, no--no, no,  
No, no, no, no, no!"  
-- from In the Morning, No.

"Let's delve into astronomy, political economy,  
Or if you're feeling biblical, the book of Deuteronomy,  
But let's not talk about love."  
-- from Let's Not Talk About Love

"And as soon as I've more cages  
I'll take over the Dartmouth team,  
I'm like a child,  
I'm simply wild  
About my pets!"

'rheumatism.'"

And Pluto, Proserpine,  
My doc is chasing my virus,  
But nobody's chasing me."  
-- from Nobody's Chasing Me

Let's Re-use!

"To encourage me to mis...be...have.  
As an opera vamp I've reached the very top,  
But in private life my technique is a flop."  
-- from Opera Star

"I'll let him rant, I let him rave,  
I let him muss my permanent wave,  
But when he says "let's misbehave'  
My reply is 'No!'"  
-- the Laziest Gal in Town

"They say that spring  
Means just one thing  
To little love birds,  
We're not above birds,  
Let's misbehave."
